Dear Member

As the year comes to a close, we reflect back on another successful Club year. All draws were successfully drawn and the annual donations to St Andrew's College and to St Andrew's Preparatory were given at Prize Giving and Prep Feast, respectively.

The Club will make a donation to the **#AcademicExcellence** project next year, towards the David Hodgson Exhibition Foyer. We cannot think of a better tribute to honour the memory of David, a notable founding member of the 300 Club, for all his years of selfless service and commitment to College.

For more information about the David Hodgson Exhibition Foyer, please click [HERE](#). This facility presents an opportunity for everyone who has a special connection to David to personally recognise him for his significant contributions to College. Should you wish to make a donation towards this facility, you can do so [HERE](#).

Without the sustained support and commitment from all members, the 300 Club would not be able to donate to St Andrew's College and Prep on an annual basis. Please accept our sincere thanks and appreciation. We would also like to extend a warm thanks to all members who welcomed the increase in the annual membership fee.

Condolences

It was with great sadness that the Andrean community mourned the passing of Ian Morton (Day, 1955) in April this year. Ian was a noteworthy member of the Andrean community and was one of the founding members of the 300 Club (Membership no. 3), having been a member for 38 years. Our heartfelt condolences go out to the Morton family.

We observed a highly unlikely and extremely lucky result this year, where a member was drawn twice in one draw. This has never been seen before in the history of the 300 Club draws; congratulations to Alan Barrow!

Lastly, a warm thank you to all the members who generously donated their cash prizes back to College and Prep, towards various projects. Your kind gifts contribute to the overall sustainability of our schools, for which we are truly grateful.

We look forward to another successful club year in 2018.

Wishing you a wonderful festive season.

Warmest regards
