

Norman William Gowie Lucas passed away peacefully, aged 91 years, at his home in Howick, KwaZulu-Natal on 27 September 2012. Norman's father was a teacher for many years at St Andrew's and the family is well known in Grahamstown.

Norman was a loyal and loving companion to my mother, Burnice Davies for over 15 years. I always think of Norman as an ardent Old Andean, always commenting on news from the school, and until recently making every attempt to join in reunions held in Durban. He is survived by his daughter Leanne Gale and her three children.
